Community

Strengthen our connections within the neighborhood

- Social Committee
- New Neighbor Welcome Committee
- Communications Committee

DVCA Committees: Our DVCA committees help to carry out the DVCA mission to serve our neighborhood by providing useful information and services that create value & build a sense of community.

Committee	Chairperson	Description
Beautification Committee	TBD	Undertakes projects that enhance the attractiveness of Drew Valley neighborhood including but not limited to Stop Sign "Drew Valley" Sig Toppers, Entrance signs, Pocket Parks/Community Gardens in Flood Lot Plans.
Bylaws Committee	Mary McPherson	Manage proposed changes into a new version of the Bylaws to keep the mission relevant and the management / administration of the Association in step with the times.
Communications Committee	Jessica Matthews	Create, manage, & ensures content is distributed effectively to the neighborhood via both online sources and hardcopy sources (ie Website, Newsletter, Google Account).
Drew Valley Rd / Buford Highway Intersection Committee	Patty Farinola	Explore and understand the proposed changes along Buford Highway with a solid median and to assess the impact on our neighborhood.
Executive Committee	Sarah Moffat	Core management of the DVCA; President, VP, Secretary, & Treasury
Flood Committee	Wes Robinson	Explore and make recommendations to City of Brookhaven concerning flooding and storm water management that directly affect the DVCA area.
New Neighbor Welcome Committee	Paige Hill	Welcome new neighbors into our community by providing useful information and welcoming smile.
Schools Committee	TBD	Coordinates the interests and concerns of Drew Valley residents as they relate to the schools that serve our neighborhood.
Social Committee	Lauralyn Mustaki	Provides opportunities for neighbors to get to know one another better through social events to strengthen our community.
Zoning Committee	TBD	Stays up to date on zoning, planning, development, and related issues in the City of Brookhaven that directly affect the DVCA area.
