Jerry Farinola

- We received notice on 4/12 that the Brookhaven PD has cleared all the internal approvals to proceed with the planning process to institute a Neighborhood Watch Program.
- They have agreed to use DVCA to create the pilot program. The time table is yet to be established but will commence immediately.
- We will be working with the BPD Community Engagement Officer on this effort.
- We are awaiting next steps from the BPD.
- We are looking for at least one other neighborhood volunteer to collaborate in the planning process.
