Tree Ordinance

courtesy Lori Gray and Lissie Stahlman

Summary of the changes which were approved by City Council can be found at drewvalley.org/trees

If you see questionable activity about to happen with no signage having been posted, please call **Brookhaven Code Enforcement** at **404-637-0500** on weekdays or till noon on Saturday. After business hours, **call 911**.

Next steps for the Brookhaven Tree Conservancy will focus on educating citizens, builders and property owners about our trees and our tree protection ordinance. We welcome your volunteer efforts to help with this.

DREW VALLEY CIVIC ASSOCIATION

What is the DVCA doing for YOU?

ZONING

In January, the DVCA petitioned the City to provide guidance on the language of the new Juniper Forest Subdivision Ordinance to replace the existing old ordinance at Drew Valley.

On 2-23 the City agreed to meet on Average Front Setback per the 2018 rule. This was a important step for Drew Valley neighbors.

REDISTRICTING

On behalf of the neighborhood and at the audience of the Civic Board of Decision, Councilor assigned the City and the City Clerk to assign Drew Valley into a new City neighborhood as well as new common interests.

The City Council assigned a team that have Drew Valley likely about 2000 for about 30 homes in the Juniper Forest. They will include the watershed from the Blue Ridge. We are currently meeting with Councilman John Park to resolve this issue.

BEAUTIFICATION

Have the City Council assigned a team that have Drew Valley likely about 2000 for about 30 homes in the Juniper Forest. They will include the watershed from the Blue Ridge. We are currently meeting with Councilman John Park to resolve this issue.

The Committee is also working with the City on neighborhood signs for the street.

SECURITY

The DVCA Neighborhood Committee is currently working with the Brookhaven Police Department (BPD) to plan a program by the BPD for all local neighborhoods. Drew Valley will be included in this effort. We are currently meeting with Councilman John Park to resolve this issue.
